NEW LOW RECORD In Stock sales

Transactions Very Small and Little Interest Shown in the , Market.

NEW YORK, July 2.—Dealings in slocks made a new low record for the year to-day, the aggregate sales dropping to 109,900 shares. Although the Stock Exchange will be open for business to-morrow, many members have already left the city to prolong their holiday over the end of the week. The duliness normal to the season and to the course of a political campaign is thus decidedly accentuated. There was more show of life in bonds than in stocks; considerable variety was perceptible in that department of the market. Intimations during the day that the expected Treasury call for return of \$50,000,000 deposits would be immediately forthcoming, and its Issuance later, made no impression, in view of the surfeited condition of the money market. Reports of railroad net carnings for May show the stringle to view of the surfeited condition of the money market. Reports of railroad net carnings for May show the struggle to meet losses in traffic by reduction of operating cost. Union Pacific showed the best success in this effort of the companies reporting to-day.

Bonds were irregular. Total sales, par value, \$2,914,000. United States bonds were unchanged on call. Total sales to-day, 109,300 shares.

Aroused Sleeper Has a Terrific Fight in a Theatre.

READING, PA., July 2—Locked in a Penn Street moving picture theatre last night, twelve-year-old Edward Frederlicks was attacked by rats, and had the most thrilling experience of his career. Visiting the theatre early in the evening, young Fredericks secured a corner seat, where he fell asleep.

At 11 o'clock the theatre was closed, the sleeping boy not being observed. Toward morning Fredericks was awakened by a pulling and hauling at his feet, and soon realized that rats by the hundreds were after him. The toes had already been chewed out of his shees, and the rats teeth had lacerated his feet. He started to fight the rodents off, and, according to his story, the fight lasted several hours, during which his cries and the squeating of the rats could be heard several doors away; but nobody appeared to rescue him.
